

Classroom Community Garden

1

What will your garden look like? Express this by drawing or in words.

2

Divide these following responsibilities amongst the class members. Define how each group will fulfill their responsibility.

a. Responsibility for: gardening and maintenance _____

b. Responsibility for: recruiting new members _____

c. Responsibility for: social activities in the garden _____

d. Responsibility for: promoting and advertising the activities _____

3

Imagine what your garden will look like in two years from now. Express this by drawing or writing.

4

Prepare a banner that calls on all local residents to join your community garden initiative. Some ideas: a name for the garden; name for the neighborhood, your garden's special aspects, who is it intended for, who can join...
