

What is a symbol?

The Jewish people also have a symbol. This symbol is really old (the Star of David became a symbol much later).

Why do you think we need symbols?

Fill in the spaces according to the pictures

What is the Jewish symbol? And where did it come from?

Many years ago, the Temple stood in Jerusalem.

It was the holiest place for the Jews.

In the Temple stood a special, golden  Menorah with _____ branches that always lit up the  Temple.

The High Priest would light the Menorah with pure  _____ oil.

1000 + **1000** _____ years ago, the Romans destroyed the  _____ in Jerusalem and took the precious Temple vessels with them back to Rome.

Among the vessels that they took was also the  _____.

Even though the  was taken to Rome, it was a Jewish symbol.

It symbolized the  Temple; after the Temple was destroyed, it symbolized the Jewish people.
