

## How to Play?

The game is for 2-4 players.

Each player receives 20 cards.

Each player puts the cards next to him with the pictures facing downwards so the pictures can't be seen. Players sit opposite each other.

When everyone is ready, say 1, 2, 3 and... and start turning over the cards, each player by turn. When a Jerusalem flower appears, the players have to shout "Jerusalem" and the first to do so takes the entire pile of dealt cards. The turning over of the cards needs to be fast-paced. Even after a player has taken the pile, the players should carry on immediately.

After each circuit, the player who took the cards adds them to his pile. The winner of the game is the one who has the largest amount of cards.
